WA STATE OFFICE OF THE FAMILY AND CHILDREN OMBUDSMAN
6720 Fort Dent Way, Suite 240, Tukwila, WA 98188
206-439-3870 800-571-7321 FAX 206-439-3877
www.governor.wa.gov/ofco
The Office of the Family and Children’s Ombudsman (OFCO) is an independent voice for families and children who are under state supervision due to allegations or findings of child abuse or neglect. OFCO may also monitor the health and safety of children who are in state custody (CPS, DSHS, and the foster care system). If you believe that the Department of social and Health Services has not responded adequately to a credible report of suspected child abuse or neglect, or if you believe that a state-supervised family or child, or a child in state custody, is at risk of harm due to the failure of DSHS or another government agency to respond to a complaint, OFCO can help. All information received is totally confidential.

WASHINGTON STATE LONG-TERM CARE OMBUDSMAN
The Long-Term Care Ombudsman is a program designed to improve the quality of life for people who live in long-term care facilities, including nursing homes, boarding homes, adult family homes and state operated veteran’s homes. The Ombudsman advocates for the rights of residents in long-term care facilities; receives, investigates and attempts to resolve complaints and concerns about the quality of life in long-term facilities; monitors laws, regulations and policies which affect those who live in long-term facilities; and promotes the development of consumer organizations concerned about long-term care.
National

TASH
1025 Vermont Ave., Floor 7, Washington, DC 20005
www.tash.org 202-263-5600

Fetal Alcohol Spectrum Disorder (FASD) is a devastating public health problem that affects all aspects of society. It is one of the leading known preventable causes of mental retardation and developmental disabilities in the United States. Intervention and education are critical components. Caretakers and service delivery providers, if educated in the behavioral phenotype, core disability traits and intervention of FASD, will be able to work more effectively, reduce burnout and provide individuals with FASD.
Contact PAVE for more information about FASD or to schedule a local presentation.

The following resources are available only through your Developmental Disabilities Administration Case/Resource Manager and are contingent upon eligibility and funding. Call 1-877-601-2760

ADULT FAMILY HOMES
Adult Family Homes are regular neighborhood homes where staff assumes responsibility for the safety and well-being of the adult. A room, meals, laundry, supervision and varying levels of assistance with care are provided. Some provide occasional nursing care. Some offer specialized care for people with mental health issues, developmental disabilities or dementia. The home can have two to six residents and is licensed by the state.

GROUP HOMES
In the community-based licensed residential programs, such as group homes, Institutions for the Mentally Retarded (ICF/MR), adult family homes and foster care, the provider owns or leases the facility. Room and board expenses are included in the rate paid by DDA and the residents participate towards the cost of care. State employees provide services in four state operated Residential Habilitation Centers (RHCs). To provide services in a variety of smaller licensed settings located in the community, DDA contracts with providers or coordinates with other DSHS divisions. All licensed settings offer 24-hour supervision.
(There are no Group Homes in Jefferson County)

SUPPORTED LIVING HOMES
DDA provides or contracts with agency providers to offer Supported Living Services and Supports in client’s homes. Entities who offer this service are certified by the Department. These services offer instruction and supports to persons who live in their own homes in the community. Services and supports are based on the client’s individual instruction and support needs as documented in his/her service plan. Supports may vary from a few hours per month up to 24 hours of one on one support per day. Clients pay for their own rent, food, and other personal expenses. DDA pays for residential services provided to clients under department contract except for the State Operated Living Alternatives (SOLA) program where services are provided directly by state employees. Supported Living Service providers must follow the standards in Chapter 388-101 WAC and the DDA policies attached to the residential contract.

COMPANION HOMES
Provide residential services and supports in an adult foster care model to no more than one adult who is a DDA client. The services are offered in a regular family residence approved by DDA to assure client health, safety and well-being. DDA reimburses the provider for the support service. Companion homes provide twenty-four (24) hour available supervision. The client directly pays the provider for room and board costs from his/her personal resources. The provider is required to negotiate a separate agreement with the client to address this cost.

ALTERNATIVE LIVING SERVICES
Provide community-based, individualized client training, assistance, and support. Alternative Living Services are intended to enable a client to live as independently as possible by training and assisting individuals to: establish or maintain a residence; develop or improve upon home and community living skills; establish healthy and safe habits; participate in social activities; and manage money. AL services are provided by an independent contractor and are not to exceed 40 hours/month.

RESPITE CARE & MEDICAID/WAIVER PERSONAL CARE

RESPITE CARE
Respite Care is short-term intermittent relief for persons normally providing care for DD individuals. This service is available in the Basic Plus and CORE waivers as well as the Individual and Family Services Program.

MEDICAID PERSONAL CARE/ WAIVER PERSONAL CARE
Medicaid Personal Care (MPC) and Waiver Personal Care (WPC) provide personal care assistance to Medicaid eligible persons with a functional disability. This service is provided in the person’s own home by an individual or homecare agency provider, or in licensed and contracted adult family homes and boarding homes. MPC/WPC is also provided to eligible children who live with their families or foster children who are in custody of DCFS.
MPC/WPC services enable eligible individuals to remain in community residences through the provision of semi-skilled maintenance or supportive services. The Federal Government is willing to pay for MPC/WPC as an alternative to more costly, more restrictive settings (e.g., nursing facilities).

Medicaid Personal Care Provider Registry/Agencies

WASHINGTON STATE OFFICE OF THE FAMILY AND CHILDREN OMBUDSMAN
206-439-3870    800-571-7321
www.governor.wa.gov/ofco
An independent voice for families and children who are under state supervision due to allegations or findings of child abuse or neglect. OFCO also monitors the health and safety of children who are in state custody. If you believe the Department of Social and Health Services has not responded adequately to a credible report of suspected child abuse or neglect, or if you believe that a state-supervised family or child, or a child in state custody, is at risk of harm due to the failure of DSHS or another government agency to respond to a complaint, OFCO can help.

WASHINGTON STATE OFFICE OF THE LONG-TERM CARE OMBUDSMAN
800-801-0050 (Jefferson Co)    www.skcmsc.com
A program designed to improve the quality of life for people who live in long-term care facilities, including nursing homes, boarding homes, adult family homes and state-operated veterans’ homes. The Ombuds advocates for the rights of residents; receives, investigates and attempts to resolve complaints and concerns about the quality of life in long-term facilities; monitors laws, regulations and policies which affect those in long-term facilities; and promotes the development of consumer organizations concerned about long-term care.

<tr>
<td>DENTAL MEDICINE at Seattle Children's Hospital &amp; Medical Center</td>
<td>For information and appointments: 866-987-2000 - Fax 206-987-3891</td>
<td>Comprehensive inpatient and outpatient dental services for children up to age 17 that meet medically or developmentally compromised criteria. Detailed referral from a dentist, primary medical provider or nurse is required. Medicaid accepted, private insurance billing, financial aid program. Urgent care needs can usually be accommodated. Otherwise appointments are typically available within 3 weeks of calling.</td>
<td></td>
</tr>
<tr>
<td>School of Dentistry PEDIATRIC CLINIC / UNIVERSITY OF WASHINGTON, SEATTLE FOR INFORMATION AND APPOINTMENTS: 206-543-3525</td>
<td><a href="http://www.dental.washington.edu/departments/ped/index.php">www.dental.washington.edu/departments/ped/index.php</a></td>
<td>The pediatric clinic provides comprehensive dental services for all children, including children with special needs. Appointments are typically available within 3-4 weeks of calling. When making an appointment for a child with special health care and/or behavior needs, it is important to tell them about the child. They will schedule with a dentist appropriate for that child's issues. If general anesthesia is needed (completely unconscious) the family will be referred to Children's. Medicaid is accepted and covers the cost of most services. Private dental insurance billing, co-pays are required at the time of service. There is no sliding fee scale based on ability to pay. For those with no dental insurance, full payment by cash, check, Visa or Master Card is required at the time of service. Be prepared for a required parking fee if using the parking lot near the clinic, maximum cost $11.00. Parking is NOT validated or paid for by UOW dental clinic.</td>
<td></td>
</tr>
<tr>
<td>KITSAP KID'S DENTISTRY</td>
<td>For information or an appointment: 360-698-3242 - Fax 360-698-2262</td>
<td>Dr. Jessie Banks encourages having children seen by a dentist in their community. If the needs of a child with medical and/or behavior issues cannot be met, she is willing to see them and this is one of her specialties. Referral from a dentist, primary medical provider or nurse is required. Medicaid for new patients under age 5 is accepted, and for older children with special needs with a referral.</td>

CHILD Developmental Evaluation RESOURCES

MARY BRIDGE CHILDREN’S HEALTH CENTER
1220 Division Ave. (P.O. Box 5299), Tacoma, WA 98403
Toll free for the hospital and all clinics: 1-800-552-1419
Developmental Services / Developmental Behavioral Pediatrics
Glenn Tripp, MD, Medical Director – (253)403-4437 – Fax (253)403-1235
Neurodevelopmental and behavioral evaluation for children ages birth-13, with Dr. Tripp. A PCP paper/faxed referral with explanation of concerns is required. Parents are sent a packet of forms to provide developmental and behavioral information. After all forms are returned to the clinic, an appointment can be made. The sooner the paperwork is returned, the sooner the child can be seen. Appointments are made 4-6 months out. The clinic also arranges multi-disciplinary autism assessments, 4-6 months out. Medicaid accepted.

Children’s Hospital & Regional Medical Center

Clinics in Seattle (and Olympia, less comprehensive)
Toll free for the hospital and all clinics:
1-866-987-2000
Neurodevelopmental and Birth Defects Clinic
John F. McLaughlin, MD, Medical Director – (206)987-2210 – Fax: (296)987-3824
This is an assessment and consultation program for children ages birth to 21 (not as new patients past the age of 18) with any degree of developmental and global delays. A PCP paper/faxed referral with explanation of concerns is required. Parents will be contacted for an appointment and a questionnaire with request for medical records will be mailed to them. Services include: developmental pediatric assessment; neurodevelopmental evaluation; autism assessment; and birth defects consultation. Medicaid accepted. Appointments are typically 2-3 months out.

UNIVERSITY OF WASHINGTON - CENTER ON HUMAN DEVELOPMENT AND DISABILITY

For all clinics within CHDD: Office (206)598-4317 Fax (206)598-7815
CHDD has additional programs including Autism Clinic, FAS Clinic, Pediatric Audiology, etc. All clinics are located in Seattle, directly behind the UW Medical Center
• **High Risk Infant Follow-up Clinic:** (206)-598-9348 For ages 4 months corrected age to age 8. Referrals with description of concerns can be faxed to (206)598-7815. A nurse will contact the family. Some criteria for services include: prematurely, drug/alcohol/tobacco exposed, low birth weight. Children are generally seen for follow-up at ages 4 months, 8 months, 1, 2, 3, 4½, 6, 8. Medicaid accepted.
• **Child Development Clinic:** Parent intake line, voicemail only: (206)-598-9346
• For age’s birth - adolescents. If over age 14, will be referred to Children’s. Parents must call themselves for an appointment. A nurse will return initial calls in 2-4 weeks. After forms are filled out and returned, an appointment is scheduled for 3-4 months out. Comprehensive, multi-disciplinary team assessments are provided. Two or three appointments are required for complete evaluation. Appointments are early Monday/Tuesday mornings, typically starting at 8:15 a.m. Medicaid accepted.

CAMP PRIME TIME
6 South 2nd Street Suite 815, Yakima, WA 98901
509-248-2854 FAX 509-248-5505
families@campprimetime.org www.campprimetime.org
Camp Prime Time is near Clear Lake in the beautiful Wenatchee National Forest, approximately seven miles east of White Pass, Washington. The Prime Time staff and volunteers provide free weekend camps for terminally/seriously ill or children with disabilities and their families. Their vision is not for a “specialized” camp, but rather a facility that is a “setting” for individuals and their families to enjoy the beauty of the mountains and each other. The Camp usually runs from June to September.

CAMPFIRE BOYS AND GIRLS
8511 15th NE, Seattle, WA 98115

Tobacco Cessation

The EX Plan

The EX Plan is a free quit smoking program that helps you re-learn your life without cigarettes. Before you actually stop smoking, we'll show you how to deal with the very things that trip up so many people when they try to quit smoking. So you'll be more prepared to quit and stay quit.

www.becomeanex.org

FREEDOM FROM SMOKING

www.ffsonline.org

The American Lung Association’s smoking cessation program is Freedom from Smoking (FFS). FFS is a highly structured and comprehensive behavior modification approach to smoking cessation in a group support setting. FFS is based on the premise that smoking is a learned behavior. The seven session format provides for tracking personal habits, developing coping strategies and practice in a supportive environment with others who are experiencing the same feelings and challenges.

People First language

*puts the Person before the Disability.*

The difference between the right word and the almost right word is the difference between lightening and the lightening bug.  Mark Twain

Who are people with disabilities?

Historical and current myths tell us they are:
- People who suffer from the tragedy of birth defects
- Paraplegic heroes who struggle to become normal again
- Victims of diseases fighting to regain their previous lives
- Categorically the crippled, the retarded, the autistic, the blind, the deaf, the learning disabled.

Who are they really?

Neighbors, friends, employees, students, leaders, movie stars, followers, teachers, moms, dads, sons, daughters, beauty pageant winners, they are………people. They are People.

Are you myopic or do you wear glasses?
Are you cancerous or do you have cancer?
Are you freckled or do you have freckles?
Are you handicapped/disabled or do you have a disability?

*People First Language says*  
what a person HAS not what a Person IS

or send an email to: RHamlin@co.jefferson.wa.us or jcem@co.jefferson.wa.us

CALL 211 FOR NON EMERGENCY/
SOCIAL SERVICE INFORMATION:

Things to do and think about to prepare for an emergency:

1. IMPORTANT: Fill out a “My Personal Safety Plan” form. You can ask a health care provider or other trusted person to help you fill it out. It’s a good idea to give copies to your family and your children that live out of town, and to a trusted friend and neighbor. You could also keep a copy on your refrigerator, in your purse or wallet, in your car and in your “Grab and Go” emergency backpack.

2. Plan and practice an escape route from every room in your house in case of fire.

3. Pick a meeting place nearby where you would go in an emergency if you had to leave your house. Tell the other people that live in your house and your neighbors where you plan to meet.

4. If you couldn't reach the phone, how long would it take before someone came looking for you? Would they be able to get in?

5. Arrange for one or two people to be your helpers in case of an emergency. These people should live with you or nearby. Do they have a key to your home? Are they part of your Neighborhood Group?

6. Have flashlights ready to find your way in the dark, and keep a flashlight near your bed.

7. Keep a pair of sturdy shoes and leather gloves under your bed that you can put on quickly in case of an emergency at night.

8. Know where your important legal documents are kept. In case of an emergency, someone you trust should also know where they are.

ALWAYS CALL 911 IN CASE OF EMERGENCY:

For information or help when it is NOT an emergency
- Jefferson County Sheriff 385-3831
- Port Townsend Police Department - 385-2322
