Guidance for Businesses and the Community

The goal of Jefferson County Public Health is to keep our community healthy and prevent the spread of disease. The business community can assist with this goal to make sure that they and their employees practice the basics of good “**Respiratory Etiquette**”:

- **Cover your cough**
- **Wash your hands**
- **Stay home if you are sick**

Please contact us if you would like brochures and posters for your business. Questions may be directed to Julia Danskin, Community Education Liaison at 385-9420 or jdanskin@co.jefferson.wa.us.
