

Local Designers

The following is a list of licensed On-Site Septic System Designers and Professional Engineers that routinely submit onsite sewage system designs in Jefferson County. This list does not constitute an endorsement of these licensees nor is it all-inclusive. Before contracting with one of these licensees you should confirm that their license is still current. Contact the Board of Registration for Professional Engineers and Land Surveyors who license On-Site Septic System Design Professionals. You can reach them at 360-664-1575.
