**Droplet:** Their mission is to encourage parents to take advantage of the critical window of the first hours after birth and with the more effective breastfeeding techniques in order to prevent common problems. [firstdroplets.com](http://firstdroplets.com)

**Breastfeeding Coalition of Washington:** This is a statewide network of individuals and organizations who work together to promote, protect, and support breastfeeding as vital to the health of our communities. [www.wabreastfeeding.org](http://www.wabreastfeeding.org)

## Know your rights: Breastfeeding Law

**Breastfeeding services:** Under the affordable Care Act, new plans are required to cover breastfeeding support, supplies and counseling

**In the community:** It's unlawful for someone to request that you stop feeding your baby, cover your child, move to a different area, or leave while you are feeding your baby. (RCW 49.60.030 & 49.60.215)

**At work:** Federal law states that employers with  $\geq 50$  employees, shall provide breastfeeding employees with "reasonable break time" and a private, non-bathroom place free from intrusion to express breast milk during the workday, up until the child's first birthday.
